- Support in going through administrative process

We will assist you at every stage of the investment process

We will help you to create your own business

With us, you will quickly put your ideas into practice

We will guide you through administration procedures

1. Present your idea
2. Define the type of your economic activity (according to the Polish Business Classification – PKD)
3. Invent the name of your business
4. Define the seat of the company/address
5. Find sources of financing
6. Make a business plan

Register the company in CEIDG (Central Register and Information on Economic Entities)

- online
- by mail
- in person

Register at the Social Security Institution (ZUS)

Take advantage of the reduced social security fees:

- discount for the start
- reduced ZUS fee ('little ZUS')
